My education

Specialized master's degree in data science, Big Data

Université libre de Bruxelles (ULB), 2022-2023

GPA: **16.96/20** (Very high honours - ECTS Equivalent **A**)

Statistics, Machine learning, Data analytics and management, Econometrics, Pattern recognition, Topics in statistics, Functional Optimization.

Master of Science in Applied Mathematics

Eidgenössische Technische Hochschule Zürich (ETH), 2020-2022

GPA: **5.23/6**

Graph theory, Optimization, Algorithmics, Neural network theory, Signal processing, Network analysis, Statistics, Information theory.

Bachelor of Science BSc in Mathematics

Ecole polytechnique fédérale de Lausanne (EPFL), 2017-2020

GPA: **4.65/6**

Mathematics: Real and complex analysis, Probabilities, Statistics, Logic, Riemannian geometry, Time series, Optimization, Graph theory, Algorithmics, PDE, Topology.
Science in perspective: Chinese economy, international history, social psychology.
